Mayor Jerry Sanders and City Attorney Michael Aguirre will hold a joint news conference regarding today's federal grand jury indictments of current and former Retirement Officials to the San Diego City Employees' Retirement System. Former Administrator Lawrence Grissom, its lawyer Lorraine Chapin, and three former trustees including firefighter union president Ron Saathoff were charged with multiple felonies, including conspiracy, wire and mail fraud and aiding and abetting. The indictment said the defendants conspired to illegally obtain enhanced retirement benefits for themselves in exchange for allowing the financially strapped City to under fund the pension system.
